

Based on Estonian Regulation No. 49 of the Minister of Economic Affairs and Communications of 26.07.2013 „ Requirements and procedure for attestation of the conformity for building materials and construction products“ § 4, it has been stated that the construction product

## Double leaf EI30 steel door TTU-04

placed on the market by

### Rauduks OÜ

Tartu mnt 11, Torma alevik, 48502 Jõgevamaa, ESTONIA

and produced in the factory

### Rauduks OÜ

Tartu mnt 11, Torma alevik, 48502 Jõgevamaa, ESTONIA

is submitted by the manufacturer to a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that Inspecta Estonia OÜ has performed type testing, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in Annex ZA of the standard

## EN 16034:2014

were applied and that the product fulfils all the prescribed requirements.

This certificate is first issued on **24.08.2016** and remains valid until **23.08.2021** as long as the conditions laid down in the standard in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly. The validity of the certificate can be checked on the Internet at [www.inspecta.com/et](http://www.inspecta.com/et). Classification and field of direct application is presented in the TS-ET-0174 Annex Z.
